

Chad Stefaniak

Oxford, Mississippi | chad.stefaniak@example.com | 555-0219
Reliable · Adaptable · Team-first · Calm under pressure

PROFESSIONAL SUMMARY

Versatile professional who moves easily between academic, operational, and high-stakes environments. Known for quick learning, clear communication, and staying steady when plans change. Open to temp, contract, or permanent roles where ownership and follow-through matter.

PROFESSIONAL EXPERIENCE

Associate Professor

Jun 2025 – Present

University of Mississippi — Patterson School of Accountancy, Oxford, MS

- Teach and mentor students; coordinate course materials, office hours, and academic support.
- Collaborate with faculty on program needs and student success initiatives.
- Balance deadlines, documentation, and stakeholder communication across the semester calendar.

Cryptologic / Signals Specialist (E-6)

Aug 2014 – May 2021

U.S. Navy — various CONUS / overseas assignments

- Operated and maintained sensitive communications and signal-collection systems in support of mission timelines.
- Trained junior specialists, ran watch-standing schedules, and documented procedures for shift handoffs.
- Worked under strict security protocols; coordinated with multi-branch teams during exercises and deployments.

River Outfitter & Operations Lead

Mar 2011 – Jul 2014

Blackwater Drift Co., Franklin, TN

- Ran daily launch schedules, guest check-in, gear staging, and end-of-day reconciliation for seasonal rafting operations.
- Hired and coached seasonal guides; handled weather cancellations and last-minute route changes.
- Kept inventory of boats, PFDs, and repair kits; dealt with vendors for parts and shuttle logistics.

EDUCATION

Bachelor's degree — Business Administration

Additional coursework in operations, communications, and workplace systems.
